## Why You Should Insure in the FEDERAL LIFE ASSURANCE CO. AT ONCE

One year ago on this same page we said

"Because to the BUSINESS MAN, Life Insurance Policies are his anchor in times of BUSINESS DEPRESSION."

How true this has been in the past year.

Bonds—Stocks—Real Estate and all such Investments became unsaleable, Dividends were passed—values reduced and many men were tied down as a result

Whilst Life Insurance remained as always worth one hundred cents on the dollar—Premiums have not advanced and all payments made to assured as usual.

# Our Guaranteed Low Cost Life Insurance Policies

PROVIDE a definite amount of insurance at a definite low cost.

Every Benefit Guaranteed.

Guarantees the family the largest amount of protection from the beginning.

A guaranteed low cost of from 20% to 25% more insurance takes the place of indefinite dividends offered by participating companies.

In event of permanent total disability before age 60 these contracts immediately mature for the full value by the payment of a guaranteed income to the disabled insured.

Twenty-five cents a day at age 35 will purchase a $4000 policy.

## ACCIDENT POLICIES

Our accident policies are famous the world over for what such contracts should be. Most business men will have no others.

We have paid claims to 607,000 accident policyholders with benefits amounting to over $39,500,000.

Our policies cover every accident.

The benefits of accident policies are so large, the cost so small, that no man can afford to be without one in these days of many and great catastrophes. We also write Employers' Liability, Steam Boiler, Teams and Automobile Insurance.
